

## KEDIR NASIR

kedir.nasir.mohammed@gmail.com 

0910024300 

Addis Ababa ,Ethiopia 

### Objective

I am a committed, hard-working, and proactive civil engineer with a strong design background. I have considerable experience designing and analyzing processes to improve overall operational efficiency. I am currently looking for a position where I can put my technical skills to use in a challenging work environment and become a valuable asset to the organization for which I work. That gave me confidence and demonstrated to me that this is a job for which I will have to work hard.
